How will this program contribute to your life or our community?

Agreement:

1) Typically scholarships are given for up to half of the program's cost. If a larger scholarship is needed - please see someone on the Board.

2) You will be asked to contribute to the program in some way with your time. (i.e. Helping the coordinators with prep or clean up.)

3) If you have already received a scholarship, we will consider other applicants first who have not. If there are still funds available, we will consider those who have received assistance in the past.

Our wish is that anyone who wants to participate will not be turned away due to lack of funds.
